COMPETITION 2017

The Rules and Tentative Racing Schedule for the 2016-2017 Season for the Richmond Ski Club

For those of us who like to “run the gates”, the Richmond Ski Club has several different ski racing programs. One is a season-long series encompassing 26 races at 6 separate mountain venues from December to March and an one-day event comprised of one giant slalom and one slalom alpine race at Wintergreen. The fee is \$20 for each of these races. The multiple-day contest is called the President’s Cup Challenge and R. S. C. members need to only pay an entry fee of \$35 to the Race Committee and compete in a minimum of five race days with at least one course completion per day (all racers are to run at least two runs per race day and must complete one run without disqualifying and be given a recorded time by the course staff).

A third competition is for the most NASTAR medals accrued this season, starting in late November and ending in late March. There is fee associated with this contest. On Saturday the 8th of April 2017, there will be a Competition Awards Dinner at the Country Club of Virginia where trophies and medals will be given out to the winners in all three of the club’s racing programs.

For those members of the R. S. C. that have never been paying participants in any of the club’s competition programs, there will be an opportunity to get a full four hours of unlimited racing at Wintergreen FREE on the 7th and 8th of January, courtesy of the Competition Committee and the club’s board. This will be held in conjunction with Condo Crawl, which is being held that Saturday in the evening (for more details on how to sign up for the Crawl, contact Joyce Parkey at 804-304-3479).

To kick off the season, there will be a Competition Committee meeting on Friday the 9th of December to be held at the James River Clubhouse of the Country Club of Virginia. Any interested in being on the committee and attending the dinner meeting should contact me at jimmyc825@aol.com or 804-356-8868. Should you desire to join either of the fee-associated racing programs, just make out a check or money order in the appropriate amount to “RSC – Competition” and send to Jim Cochrane at Post Office Box 654 in Nellysford, Virginia 22958. Hoping to see many of you on the race course this coming ski season, I am

Respectfully,

James H. “Jim” Cochrane, Jr.
Director of Competition

JACKSON HOLE, WY TRIP

MARCH 4-11, 2017

PRICE \$1,875

FULL

Valerie and Bruce are working hard to offer you the finest skiing in the Old West! Come join us for a great skiing adventure, luxurious accommodations and a great group of old and new friends.

We will be staying in town at the Parkway Inn (double occupancy hotel rooms), just a short shuttle ride to the mountain. Our accommodations include daily breakfast and vouchers for the town shuttle to and from the mountain, with town shuttles running all day and evening. The Town of Jackson is a charming Western town with plenty of restaurants, watering holes, art galleries and shopping for your off-mountain experience. See the antler arches that grace the town square, head to the Wort Hotel's Silver Dollar Bar or the famous Million Dollar Cowboy Bar for music and dancing, or try one of the restaurants that led *Wine Enthusiast* to name Jackson as one of America's 5 New Foodie Cities in 2014.

Jackson Hole just celebrated 50 years of skiing excellence. With that milestone come many improvements! Jackson Hole has always been known for challenge, but it is also ranked highly by SKI Magazine for excellent terrain variety. Everyone is familiar with one of the best known slopes in the world - Corbet's Couloir, but that's only one run of over 135 satisfying slopes! There are many rolling groomers and long blue runs. Jackson Hole has given the highest priority to improving the intermediate skiing experience by opening new "blue" terrain in the Casper area with new high speed quads, a new Gondola (2016) specific to the area and increasing the size of their grooming fleet and snowmaking capacity. The base altitude is only 6,300', below average altitude sickness elevation.

OUR ADVENTURE includes:

- Pre-trip party to reacquaint old ski buddies and meet new ones
- Flying into Jackson Hole airport, just a short ride to town
- 5 of 6 day lift tickets with extra day TBD
- Breakfast included daily
- Deluxe baggage handling in and out of condos
- Welcome Wine & Cheese reception
- World Class cross-country skiing available
- On trip Pizza Party and Happy Hours
- The always memorable "Fabulous Trip Banquet"
- Experienced and proven trip leaders
