One of Virginia’s newer state parks, you’ll find Powhatan State Park in the northwest corner of Powhatan County on the historic James River. The park has three car-top boat slides accessing the river as well as diverse wildlife habitat, from open fields to upland hardwood forests. Other amenities include a full-service campground, a primitive canoe-in/hike-in campground, a group campground, multi-use trails, wildlife observation areas, picnic shelters and a playground.

Following hike, we will congregate at **Fine Creek Brewing Company** (opens at noon) located nearby (about 9 miles) off Rt. 711 in Powhatan County (2425 Robert E Lee Rd, Powhatan, VA 23139) *Reminder: no dogs allowed at Fine Creek*

“Fine Creek Brewing is a small, family-owned farmhouse brewery in rural Powhatan County, established in May of 2017. . . . We intentionally set out to create a limited production brewery in a setting with open space, fresh air and a sense of place. We find ourselves rotating our beers quickly, avoiding flagships, and changing our food menu every single weekend not because it’s the easy thing to do but because we’re passionate about our craft. . . . We cook the food we love to eat and brew the beers we love to drink. We support local farms and producers from fruit growers to grain farmers, from vegetable growers to malt producers. We believe beer is best enjoyed in the place it’s created in the presence of family, friends, and neighbors.”
