

Trip Kickoff Social April 25

By Mike Larson, VP of Trips

I am pleased to announce that the Board has voted on the schedule for release of the 2024 European and western ski trips. Weekend and warm weather trips will be added to the schedule later. We are releasing trips earlier this year so as to allow members who wish to buy an Ikon Pass to take advantage at the early lower rates.

In order to be fair to all members, the trip flyers will be posted on the same day. Members will get one week to review the flyers before deposit checks will be accepted.

April 18: Trips will be posted on the website <https://www.richmondskiclub.org/Trips>

April 25: First day deposits and applications will be accepted

Please do not try to hand checks to trip leaders before the deadline. Any checks mailed must be post marked no earlier than April 25.

Also on April 25: Trip Kickoff Social at Main Line Brewery 1603 Ownby Ln, Richmond VA 6:00-7:30 pm
