Powder Mountain, Utah— MLK Weekend 2023
Utah POW Without the Crowds!
January 13-17, 2023
Trip Leaders - Sonny Clarke, Hal Costley and Bob Cecchini

Over 8400 acres with a max of 1500 skiers per day!

Even on a holiday weekend, lift lines are minimal.

Powder Mountain is truly an unknown gem! With the recent expansion, it has 8,464 acres of skiable terrain suitable for all levels of skiers and boarders. They cap tickets sales at 1500 so you are guaranteed to have no lift lines and you can find fresh powder for days after a snowstorm. The mountain has a unique set up with various places where one can take a single ride on a snow cat to drop you off in nearly untouched snow, all while being inbounds. Advanced skiers can also experience Powder Country, where you ski down to a bus stop that will drive you back up! Don't worry, there are plenty of groomed trails also.

We will be staying in Ogden UT, about 20 miles from the resort. We will have a PRIVATE bus to take us to and from the mountain, but the town bus is also an option if you want a shorter or slightly longer ski day. Our lodging is in the Historic District with many restaurants ranging from budget to high end. Within walking distance is the Salomon Center with indoor rock climbing, indoor skydive, bowling, and a movie theater.
